CHANTILLY NATIONAL
COUNTRY CLUB
MONDAY, OCTOBER 16, 2017

Dear Supporter:

The Fairfax High School Athletic Boosters are organizing their 7th Annual Golf Tournament. This tournament will be held on Monday, October 16, 2017 at Chantilly National Golf Club in Chantilly, VA. The proceeds from this tournament will help fund the Fairfax High School Athletic team's activities and equipment. As you may already know, there have been numerous cutbacks in county school funding and one area that has been most affected is the athletic programs. To facilitate our youth in keeping the Fairfax High School athletic teams as competitive as possible, the Boosters initiated this golf tournament as a fundraiser.

It has been hope of the Fairfax Athletic Booster program to host this as an annual event that will enhance the athletic programs and to increase community involvement in sports programs. We are anticipating approximately one hundred and twenty golfers to participate in the tournament. The tournament planning committee has identified your business as one that has a product or service that would be of interest to the individuals participating in this event. We would be encouraged if you would donate an item or service that you specialize in or a gift certificate that can be used as an award to participants of the tournament. Donations in all price ranges are welcome. We intend to publicize the names of all donating businesses at our event.

To ensure that all donations are cataloged and properly publicized for this event, we would like to request those donations be mailed or provided by October 1, 2017.

Thank you for your consideration of our request. We hope that this will be a mutually beneficial endeavor.

Sincerely,

Derek Donnelly / Cara Radoll

Tournament Directors
